Time: 8am - 11:45am (or until all
dumpsters are filled.)

Cost: FREE to FHNA Residents

Where: William C Abney Academy
Parking Lot

BLOCK CAPTAINS NEEDED

The neighborhood is looking for four new block captains! The neighborhood block captain will act as a social liaison between their residential block and the FHNA Board.

Responsibilities of the Block Captains include passing out the newsletter to their blocks, delivering welcome packets to new residents, and keeping neighbors informed and connected to events taking place throughout the neighborhood.

Please email fhna@fultonheights.org if you are interested in participating, and live on Fuller, North Holmdene, South Lawndale or North Mayfield!

A PICNIC LIKE NO OTHER

Like countless other organizations, the FHNA board and Events Committee was faced with incredible new risks and challenges related to the health and safety of community gatherings this summer.

Volunteers brainstormed and planned until a solution was found that feels safe, fun, and in keeping with a community spirit.

This year's picnic is going to look a little different!

Instead of gathering at the park, we're inviting neighbors to BYO drinks and food, and spread a blanket or chair on your own front lawn. Say hello to your neighbors (maintaining safe distance, of course!) and be treated to a free scoop of ice cream courtesy of the FHNA Events committee.

Pinkie's Ice Cream truck will be driving the neighborhood starting at 6pm on the western side of Fulton Heights, and moving to the East.

Take pictures, record a short picnic video, and share them on the FHNA Facebook group with the hashtag #fhnapicnic!

COVID CLEANING MEETS DUMPSTER DAY

Clean out your clutter! The annual neighborhood Dumpster Day will be held on August 29.

FHNA has coordinated with City resources to obtain several dumpsters for FHNA neighborhood use. Dumpster Day is a very popular benefit, so make sure to have your garbage ready and arrive early.

This event will strive to be as low contact as possible.

Please note that you will be asked to remove your own items from your vehicle. Additional restrictions include:

- No construction or yard waste.
- Boxes must be broken down.
- No hazardous materials
- You must live within Fulton Heights to participate.

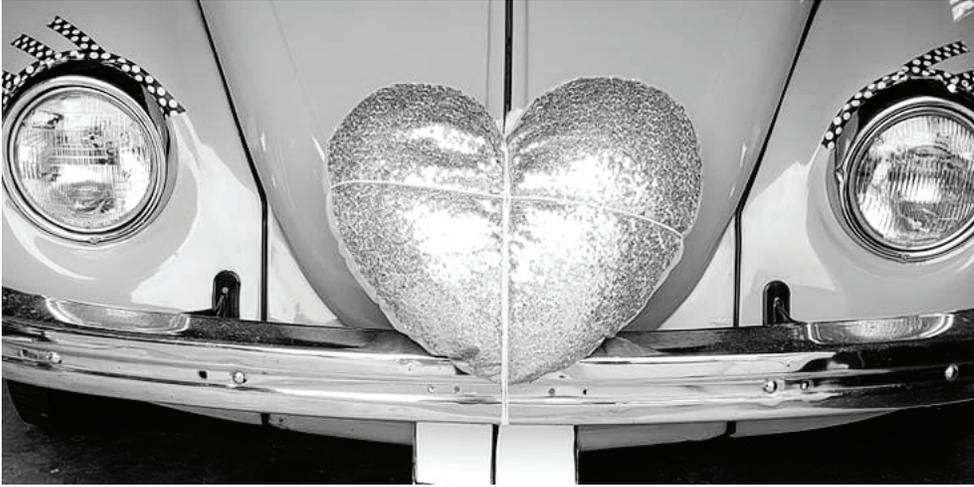

Please consider paying your membership dues online ahead of time at fultonheights.org to avoid cash transactions.

Fulton Heights

Neighborhood Association

SUMMER EVENTS NEWSLETTER 2020

Dear Fulton Heights Neighbors,

I'm Kayla Domeyer, FHNA President. You might know my family as the ones who dressed up our Beetle and drove through the neighborhood on Easter blaring happy tunes. It's been a strange and crazy time since March and I'd like to give you an update.

While we were forced to cancel the Spring Membership meeting, The Board continues to meet on a monthly basis to maintain the business of the FHNA. Currently these are held virtually, but are always open to FHNA members. Please email fhna@fultonheights.org to get a digital invite.

Since the Fall 2019 Membership meeting, our previous president moved and I was elected as President of the Fulton Heights Neighborhood Association. Sam Warber continues as Vice President, Andrea Lehman is Secretary and Gwen Howey is Treasurer. We've welcomed a new director, Chelsea Beckman and look forward to introducing these new faces when we are able to meet and

ratify these new board members in a Neighborhood Meeting.

Our neighborhood Facebook group has been a valuable resource during lock down and distancing. Be sure to visit [Facebook.com/groups/FultonHeights/](https://www.facebook.com/groups/FultonHeights/) to join us there. The group is governed by a board ratified discussion policy in service of our mission to "create a welcoming neighborhood, one that fosters interaction and communication among residents". We continue to add to and adjust this policy as needed to maintain decorum in a high stress and often divisive time.

For those concerned about recent crimes, we take your concerns seriously. We've created a crime report form to allow the board to track these activities and we are working to expand our existing FHNA block captain program in ways that might curb these crimes of opportunity. For now, please remember to remove valuables and lock your vehicles. If you do experience a crime, please report it to the GRPD and also fill out the Crime Reporting form linked in the Facebook Group above. You may

also email FHNA@fultonheights.org to get a link to the Crime Report form.

The Hillcrest Garden is going strong this year, with all plots occupied early in the season. Remember not to pick anything that you didn't grow, and give kudos to the garden committee for organizing and maintaining such a wonderful asset for our neighborhood. It's a huge commitment for them to take on every year and we are grateful to host such a beautifully loved piece of land.

As times continue to change, I believe our neighborhood is a vibrant and wonderful place to live. The Board would love to have input from neighbors and all ideas are welcome, even if we can't discuss them in person. We're hopeful there will come a time when we may host our picnic, membership meetings, and other events but in the meantime – reach out and greet your neighbors, get acquainted, and don't hesitate to contact myself or the FHNA board at FHNA@fultonheights.org.

May you all stay healthy and safe,

Kayla Domeyer
President,
Fulton Heights Neighborhood Association
