The FHNA Board will provide outdoor kid-friendly games, kids crafts, and face painting. Fun activities and food services begin at 12:30 in Hillcrest Park. Attendees will be provided one free hot-dog or vegetarian meal with chips and a drink and FHNA will have packaged optional sweet treats as well.

The official membership meeting will begin at 2:00 with board business and a time for questions. Crime prevention coordinator for GRPD Julie Niemchick will be in attendance for topical questions and concerns.

We hope to see you and your family soon!
