

Events Committee

Thursday February 11, 2021 8:00- 8:45 pm Zoom

In attendance: Gloria Cangelosi, Matt, Kendsie & Genevieve Channing,
Arielle Leipham,

Chelsea Beckman

Excused: Kate Robinson

Board Contact

The FHNA Board is very supportive of the Events Committee and would like these policies in place in moving forward.

Future minutes should be sent to all Board members to aid communication.

New Events communicated to the Board as soon as finalized

Provide a list of shared resources requested for each event –

signs, Block captains, etc. – for future planning

purposes

Use the Events Committee fund to pay for purchases and

submitting receipts to Gwen for future Budgeting

purposes.

Winter Fest

Winter Fest as previously done is impossible in light of Covid. However an “at home” Snow Building Event might do the trick in relieving the stress of winter. The current frigid temperatures and un snowman y snow has not allowed the event. But we will have a Kids’ Snow Building Contest these last two weeks of February

Kid’s Snow Building Contest

Calling all Fulton Height’s Neighborhood Kids!

Build a snow sculpture on your lawn and submit your creation before February 28 on the “Kid’s Snow Building Contest” post on the Fulton Height’s Neighborhood Association Facebook group page (<https://www.facebook.com/groups/FultonHeights>). Vote for your

favorite sculpture and top 3 winners get prizes! Winners will be announced on Facebook March 3rd.

Signs will be posted and Facebook announcements will follow. As well, the 2 schools and synagogue and church in our FHNA will be notified as well. Hopefully, a fresh batch of snowman snow will fall. \$75 will be budgeted for prizes for winners and participation. Research will be done to see the age group breakdown of the neighborhood – how many kids live around here?

MEETING DATES

Meeting dates will be the Thursday prior to the Board meeting. Calendars will be doublechecked and hoping the “second Thursday of each month” works.
