Blandford - Garden Outreach Classes

The garden Committee is very open to events, but with considerations of number of participants and space respectfully used. Matt's backyard backs up to the garden and can provide a "Circling" educational spot.

Many ideas were generated – gardening techniques, Urban Roots and mulching, Blandford, flower cutting techniques, rain garden (Calvin) – for possibly a summer series.

WMEAC - Rain Barrel Workshop

WMEAC has confirmed Sunday, May 23 as a Rain Barrel workshop event. This will be advertised in the Newsletter. A link for information will be available.

GARAGE SALE

The weekend of Friday, May 21, Saturday May 22 and Sunday, May 23 will be advertised for the FHNA Garage sales. Gloria will approach Salvation Army / and or Goodwill to see if a truck can come through the neighborhood following the event to pick up any leftover donations. Stephanie Johnson will help with Publicity regarding this event.

New Baby Celebration

Kendsie has provided Kayla with the *Survey for New Parents* which will be in the Spring Newsletter. Kayla provided graphics. Thank you, K and K.

Spring Service Project

Cleanup in the garden, Dog Park upkeep, Playground spiff up, woods cleanup – but the winner will be a ***Celebration of Mothers*** on Mother's Day, Sunday, May 16. This will include a window of opportunity to pick up a small gift of gratitude that day at the Garden.

Dumpster Day

This traditional neighborhood favorite is scheduled for Saturday, August 28. Site is TBA. Encounter Church (Joe Hayes) is being approached as a site by Arielle.

FUTURE PLANNING

The EC will be meeting soon to complete planning out the rest of the year. A Google Sheet template by Arielle will provide a workmat for everyone to work from.
