**-Arielle:** Send text for “ask” of “skills series” to Gloria/Kate. Arielle will post from FHNA neighborhood account.

**-Gloria:** ask specific people on; Auburn for videos to submit to have some “in the queue” for skill series. Reference this text:

*The events committee is launching a “skills series” on the neighborhood FB group.*

*Basically we’re looking for people in the neighborhood who can demonstrate some skill, hobby, fun thing that they can do in a short video! I’m going to announce it this coming Monday.*

*I’d like to have a few “in the queue”—are you interested in participating? It would entail recording a short video on your phone, sending it to me, and I’ll slide it into the content calendar! Very basic. Lo-fi.*
