1. Approval of agenda
2. Reports –
Update on Assigning plots – Norma is slotting returning gardeners into plots – approximately 40 new gardeners are still interested in a plot.
Water turn-on (happened on April 9th)
3. Discussions
 - A. Traffic flow
 - east driveway will be the ENTRANCE and the west driveway the EXIT for a ONEWAY flow. Parking will be on the INSIDE (right side) only (away from the faucets)
 - B. Slope on the east driveway entrance will be leveled with gravel bags.
 - C. Plow lines will be altered to make room for people to park along east side of west driveway
 - D. Preventing parking, etc. along faucets. Police tape – cheap, even if unsightly
 - E. Tilling/ploughing – Henry has contacted; scheduled for as soon after cleanup as possible
 - F. Wooden stakes – Janette has made
 - G. Gate lock – two combo locks have been purchased. combination will be communicated to new gardeners after second pass tilling
 - H. Spring cleanup, currently scheduled for April 17th.
